VINTAGE 2015

The winter of 2014 started well with above average rainfall for June and July, then nothing in August. The rollercoaster continued with September above, below for October, higher for November and low for December. The vineyard managers were irrigating at budburst and continued through Spring. Notwithstanding the unstable weather the vineyards remained healthy and disease free. Amazing considering the forecast conditions. Vintage itself started early – mid February – and continued apace until a lull in ripening early March that allowed the winery to catch up. The whites from 2015 show intense varietal characters, particularly the Marsanne & Riesling. Flavours in the reds are bright and concentrated - a very good year.

ABOUT THE WINE

Established in 1860, Tahbilk is located in the premium central Victorian viticultural region of Nagambie Lakes. Purchased by Reginald Purbrick in 1925, five generations of the Purbrick family have been actively involved with the Estate bringing a tradition of pride, hard work and a love of good wine to their unique heritage of being the oldest family owned winery and vineyard in Victoria. Tahbilk has some 28 hectares of Estate Cabernet Sauvignon, the oldest vines dating back to 1949. Crafted with a commitment to traditional wine making values, fermentation takes place in original open vats over 155 years old, with maturation then in similarly aged large French oak prior to bottling. Smaller French and American oak barrels are also used, with the wine from these blended back during the final filtering and bottling. Tahbilk Cabernet Sauvignon releases have shown consistently over time considerable richness and character and are considered by many experts to be the best Estate red for long-term cellarage.

TASTING NOTE

“A true-to-Estate release of elegance and style. Herb, bay leaf, clove and Asian spices sit very well alongside cassis, black olive and mint flavours with a sustaining tannic grip assuring a solid future out to 2026/2028 plus.”
