

This is to certify that

Tahbilk Pty Limited

Meets the requirements of carboNZero^{Cert™} product certification having measured the cradle to grave life cycle greenhouse gas emissions of its selected wine product in accordance with PAS 2050:2011, committed to managing and reducing the emissions intensity of the product and neutralised the remaining unavoidable emissions through the cancellation of an appropriate number of verified carbon credits in respect of the selected wine products including Tahbilk, Dalfarras and Four Sisters branded wine products.

A handwritten signature in blue ink that reads "K. Tipper".

Karen Tipper - Certifier
